Conclusion

Points to Ponder

- Are there things going on in your life that are forcing you to trust God's benevolent Rule?

- Who is like the LORD?

- What happens to those who fight against God?

- List three areas of life God has dominion over (mentioned in Hannah's prayer):

- 1.

- 2.

- 3.

- *Why* does God have dominion over these areas?

- *How* does God have dominion over these areas?

- According to verse 9, how can a man prevail in times of trouble?

- Do you live in light of God's perfect justice? (his justice toward you and toward others?) What is helping/hindering that?
